P - Struck, Myron
MARRS, Theodore
ORGI Scientology

Dear General Warner,

Recently, our newspaper undertook an investigation of some charges lodged against Dr. Theodore G. Marrs, currently a special assistant to the President of the United States in the area of Human Resources. (orig under Struck)

In our attempts to verify or discount those charges, we were presented with your name. Our attempts to contact you by telephone have been ignored, thus a letter.

The story is as follows:

First, Dr. Marrs, as has been recently reported in the national press ("The Washington Star," "The Washington Post," and "The New York Times") has been charged with being a CIA agent for 30 years.

Second, the National Church of Scientology has charged that he be dismissed on these grounds.

Third, your name has been presented to us, by a source, who said you would be able to adequately discuss with us Dr. Marrs participation with the CIA, during the Bay of Pigs operation in 1961, and beyond.

I hope you will be able to respond to us on these three areas. Feel free to call (collect); and we appreciate your expeditiously completing this matter so that illegalities may be revealed, or justice upheld.

Thank you for your participation.

Sincerely,

Myron Struck

(If you are responding by phone, please ask for me, or Marcia Orovitz, my editor; if I'm not in.)

Talked to Mr. A. and
